Other Options to Consider

This is YOUR trip, so let us know if you'd rather swap anything in or out:

For Day 2's afternoon stop:

- Lake Vico — scenic walk around the volcanic lake
- Thermal baths — relax and unwind
- Civita di Bagnoregio — the famous "dying town"
- Grape harvest (vendemmia) — join a real harvest day, if timing allows
- Horseback riding at Maneggio Civitella Cesi

For the anniversary dinner:

- Intimate dinner with a local family
- Dinner in a wine cellar (cantina), with tastings
- A scenic spot with a sunset toast

Other things we could add or swap in:

- A wine cellar tasting
- Olive oil tasting (if available this time of year)

Just let us know what sounds good and we'll build it into the plan. Looking forward to having you here!
